I woke up foggy and stressed. I have to finish the client report by 5 today and I don't know where to start.

Focus guide

That's a heavy start, and a normal one. Two minutes to settle, then four small pieces, done *before five*.

Today's plan Due 5:00 PM

1	Outline the report sections	25 min
2	Draft the summary and findings	50 min
3	Add charts and examples	25 min
4	Proofread and send	25 min

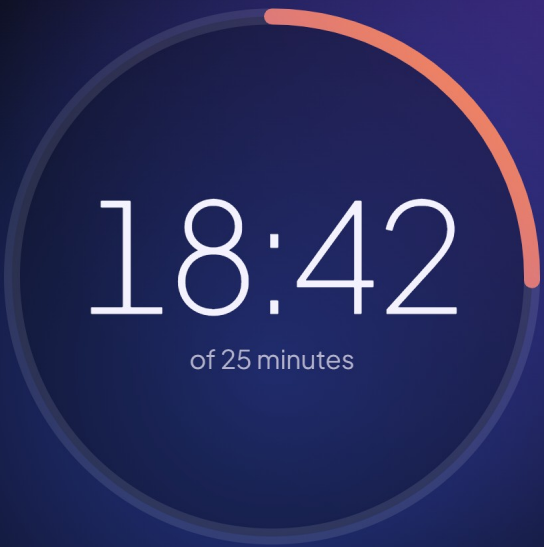

Start with a 2-minute reset
